Part of Grand Stand.

James H. Horne, business manager of the Indiana football team, and Manager Leslie, of Purdue, were in Indianapolis yesterday to make final arrangements for the big Indiana-Purdue football game, which will be played in this city at Washington Park on Saturday, Oct. 31. The lease for the park was properly arranged and instructions given for the laying out of the playing field, and the arrangements of

seats. The playing field will be from north to south, directly in front of the left field bleachers, instead of running diagonally across the field, as at former games. One goal post will be in front of the grand stand and the other 110 yards to the north, which will bring it some distance south of the refreshment pavilion. A thousand chairs will be placed on the east side of the playing field and spectators will be allowed to stand back of the ropes on the north end of the field and also back of the chairs on the east side of the field, but there will be no one allowed along the lines on the west side of the field, or the south end. The left field bleachers will be opposite the north end of the field and the north seats in the grand stand will be opposite the south end of the field. The other grand stand seats will furnish an unobstructed view of the while the box seats will overlook the

Mr. Leslie and Mr. Horne vusited the park yesterday afternoon with W. H. Watins and were well pleased with the field. Mr. Leslie declared that the playing field will be one of the best in the country, because of its smoothness and being perfectly level. Half of it will be on the sod while the other half will occupy the base-SEATS FOR ROOTERS.

The question of setting aside certain sections for the supporters and rooters of the two teams was one that required a great of discussion, as both Leslie and Horne were anxious to secure the best seats for the rooters of their respective It was decided that the Purdue should occupy the left-field bleachers, while Indiana rooters will be quartered in the two north sections of the grand stand. All seats will be reserved excepting the right-field bleachers. The general admission will be 75 cents, reserved seats \$1 and box seats \$1.50.

Manager Leslie stated that two special trains will be run from Lafayette to Indianapolis to bring the Purdue rooters for Horne expects fully 1,000 Indiana rooters to attend the game from Bloomington. The owers of the two universities in Indiana from other cities will give an attendance, it is estimated, of from 12,000 to 15,000 at the ig game, as it will be the most important In discussing Purdue's team Manager

About ten nembers of the squad are suffering with olls and part of them are in no conditions to play. Manager Leslie displayed two oils on his right arm and said the last makes the forty-sixth he has had since bes connected with athletics at Purdue. He alleves the players' blood is too rich, but loes not know the cause, as the trainers are very careful at the training table. He ld the men in training are given good substantial food, the meat bill being the most important, with the milk bill second and fruit third. He said milk for the football players cost about \$15 a week.

GOOD SHOWING AGAINST CHICAGO. Manager Leslie said he believed Furdue would make a better showing against Chicago than did Indiana, notwithstanding the Purdue team will meet Chicago with some of the best men absent from the game. The Purdue-Chicago game will be for full thirty-five-minute halves, and this will give the stronger team the advantage, while the Indiana-Chicago game was for only twenty-minute halves. Manager Leslie said he did not expect to play again this season. indiana in the game in this city, the Pur-due manager said it would be impossible at this time to try to pick the team, as it vill not be known until a few days before the same just what he line-up will be. Coach Horne says Indiana is showing tter strength every day in practice, and lieves his team will be able to wipe out year's defeat by Purdue when the feat by Wabrsh was the result of not e by Indiana. He said he was well sfied with the game Indiana played hist Chicago and felt encouraged over he result, as with more practice and training he believes Indiana will be Purdue's

Cutts Says Purdue Is in Shape for a Hard Fight.

Special to the Indianapolis Journal, LAFAYETTE, Ind., Oct. 8 .- In an interview to-day Coach Cutts announced that the members of the Purdue 'varsity eleven, with the exception of Captain Osborne and Powell, left end, were in prime condition for their game with Chicago Saturday, but as to the team's chances against Stagg's eleven he refused to commit himself. The Purdue team has practiced this week as it never practiced before, and the secret drill has resulted in a spiendid improvement in the work. Long is an ex-high school star from Louisville, Ky., and has shown up well in practice. Purdue's line continues to be all that could be desired. The heavy men are in fine form and their offensive and defensive work now is a great improvement over that of a week ago. Zimmer man may be obliged to stay out of Satur-day's contest, as his injured knee is causing hin; a great deal of trouble. There has been no shifting during the week and good team work results. Shaughnessy is atend, Draper and Lonergran playing halves. McGlew is out of the game and Silver is playing quarter. he had substituted Aimless for Sarah Black Several witnesses were examined, and Justice Lemkie then held Farley for trial in the Recorder's Court, and fixed the bail at \$2,500, which Farley did not furnish. He

THREE VICTORIES EACH

BOSTON AND PITTSBURG NOW TIED FOR CHAMPIONSHIP.

Scored Three Runs in the Third on Leach's Wild Throw-Pirates Unable to Bunch Hits.

PITTSBURG, Oct. 8 .- That the enthusiasm in the world's baseball championship series has not abated to any extent was shown when another large attendance turned out to witness the third home game, although high western winds made it rather uncomfortable for the spectators. Boston won 6 to 3. Leever and Dineen did the pitching and each allowed ten hits. The batting and base running of Beaumont and the fielding of Parent were features. The visitors scored three runs in the third

on Leach's wild throw to first, a base on balls and singles by Dineen, Collins and Stahl. In the fifth they added two more on Stahl's tripic, Parent getting first by being hit with a pitched ball, Ferris's single and Wagner's wild throw to the plate. Their last run came in the seventh. After Freeman had struck out Parent hit to the ropes for three bases and scored on Lachance's double to left. Pittsburg was unable to bunch their hit

until the seventh inning, when Sebring and Phelps both made hits. Leever's out at first advanced them one base and both scored on Beaumont's fine single to center. Clarke's two bagger to left scored Beaumont. Leach went out on a fly to Stahl. Dineen then sent Wagner and Bransfield to first on balls, filling the bases, but Ritchey was unable to bring them in, going out, Parent to Ferris, retiring the side. GRAVE OF BLACK FRANK

MONUMENT TO MARK BURIAL PLACE OF FAMOUS RACING HORSE.

Wrapped in a Silk Fing and Put in the Ground Twenty Years

Special to the Indianapolis Journal. HAGERSTOWN, Ind., Oct. 8.-Capt. C. B. Jackson, whose home is on Jackson hill, on the National road, west of Centerville, this county, has ordered a handsome monument which he will have erected over the grave of Black Frank; his famous trotting horse, which died almost twenty years ago. Black Frank was one of the most famous horses of his day, and at the age of twentytwo trotted one of the fastest record miles of that year. Captain Jackson and many Indiana horsemen who knew Black Frank give it as their opinion that he would have been the two-minute horse if he could have had the present-day advantages of scientific

track, etc. Captain Jackson has sent out invitations to many horsemen and other citizens in this and other States to be present at the unveiling of the monument on the 21st inst. The horse was buried in the front yard of the owner's beautiful residence, and there the monument will be erected. When Black Frank died he was wrapped

a silk flag and given a funeral which was largely attended. An elaborate programme will be presented at the unveiling exercises, including speeches, a presentation of Black Frank's history and notable performances, music, etc. It is expected that a large crowd will be present.

Griscom at the Merion Cricket Club was concluded here to-day under some of the most adverse weather conditions ever experienced during a golf tourney. The best match of the day was between Miss Rhona Adair, the British champion, and Miss Margaret Curtis, of Boston.

On the home green the players were all square. Playing the extra hole Miss Adalr

Miss Curtis enabled the latter to make a half. The twentieth decided the match. Miss Curtis reached the bunker with her second stroke and took two to get out, taking eight for the hole.
